# Shark Attack: a game of underwater adventure

Departing from tradition, the player of Shark Attack becomes a shark in pursuit of divers! The divers are heard talking to each other ... their heartbeats noticeably racing ... the shark gets closer ... excruciating cries of pain are heard as divers are eaten ... the divers become wiser as more and more of their comrades are consumed...FOR A DIVER, CAN ALSO KILL THE SHARK!

**THE PLAY OF THE GAME:**

Player controls the shark.

Player receives points for elimination of divers.

Devour complete squadron of divers for BONUS SKULL.

Game is over when all sharks are eliminated.

**BONUS SHARK:**

Eat 7 squadrons of divers to receive BONUS SHARK for continued play.

**HIGH SCORE TO DATE:**

The personal touch...player initializes high score to date.

**SPECIAL FEATURES:**

Quadraphonic four-way sound creates an environment beyond the realm of realism.

Brilliant underwater color on a 19" monitor.

Challenge increases with player ability.
